Director's Notes

- To our CVTheatre alumni – Dustin & Alec– thank you for the hours you always dedicate to this program despite all of your other obligations outside of the theatre. It's because of you we can continue to provide invaluable opportunities for students and quality productions for the community even in the face of adversity and uncertain times.
- Chris Glass – Lighting Master and Supreme Master of Everything Lighting – I can't believe you're a senior! A huge, heartfelt thank you for everything you've done for me and the program over the past few years.
- Thank you to the entire cast & crew for all of your hard work and dedication to the process, especially with embracing a play of such heaviness and importance. On top of that, I know rehearsing in these abnormal circumstances can be challenging and exhausting, but it just makes the performance that much more gratifying. Enjoy being up on the stage again and may you never take the opportunity to perform for a live audience for granted.
- An enormous thank you to anyone in attendance tonight in support of the arts, CVTheatre, and our incredible students. The arts industry has taken a huge blow during this pandemic, and the recovery is a slow process as we try to gain footing and recuperate from last year's losses. We are eternally grateful for all those still making an effort to support and enjoy the arts.
- CV Thespian Boosters (CVTB – previously CVPPA) thank you for your continued support of our students all the way from concessions to backstage. I know you also have been faced with many challenges over the last two years as you are continuously looking for ways to support our program. We are eternally grateful for your dedication to our students and the program. As a parent I know time is precious and we are all juggling many things, so I truly thank you from the bottom of my heart for supporting the students and the program.
- Chris Doherty Koury & Nancy Bosi – you ladies are amazing! I cannot express how much I appreciate all you do for us and how hard you work. You ladies in the office are the backbone of all we do – we couldn't do it without you!
- Mark, Heather, Lucas, and the entire facilities & custodial staff – thank you for your understanding of our long hours and always being there to help with anything and everything we need.

An Extra Special Thank You

We cannot thank our administration enough for their support of the CVTheatre program, especially during these times when so many people are facing challenges and barriers at every turn. We truly appreciate being given the opportunity to still bring the arts to life and perform for our school community despite everchanging circumstances. Thank you to all our administration for the support, encouragement, and belief in what the arts bring to our students and the school. In a time when so many things are uncertain, this creative outlet is invaluable to the mental and social growth and health of our students.

The cast and crew have chosen to collect donations for a 9/11 charity of their choice.

They have chosen Tuesday's Children, which serves and supports our nation's military Families of the Fallen; builds resilience and common bonds in communities worldwide recovering from tragedies; and keeps the promise to support all those impacted by Tuesday, September 11th.

Please consider making a donation to support their cause. Any donations received will be made in the name of CVTheatre & the CV community.
