## *Director's Notes*

- To our CVTheatre alumni –Dustin, Alec, Matt, & Chris – thank you for not just the hours you dedicate to this program, but for always being just a text or phone call away to help with anything I need despite all of your other obligations outside of this theatre. It's because of you we can continue to provide invaluable opportunities for students and quality productions for the community.
- Thank you to the entire cast & crew for all of your hard work and dedication to the process. It has been so exciting to have a “normal” year, but that also means back to normal stress levels of juggling rehearsals, work, homework, etc and I know just how exhausting that can be. Now though is when you get to revel in the rewarding feeling of being a performer on stage or a crew member making all the pieces work backstage. Remember to live where your feet are - enjoy being up on the stage again and may you never take it for granted.
- An enormous thank you to anyone in attendance tonight in support of the arts, CVTheatre, and our incredible students. We are eternally grateful for those making an effort to support and enjoy the arts.
- CV Thespian Boosters thank you for your continued support of our students all the way from front of house to backstage and everywhere in between. I am eternally grateful for your dedication to our students and the program. As a parent I know time is precious and we are all juggling many things, so I truly thank you from the bottom of my heart for not just supporting the students and the program, but for helping make it possible for your children to participate.
- Chris Doherty Koury & Nancy Bosi – you ladies are amazing! I cannot express how much I appreciate all you do for us year after year and how hard you work. You ladies in the office are the backbone of all we do – we truly couldn't do it without you!
- Heather, Lucas, Amber and the entire facilities & custodial staff – thank you for your understanding of our long hours and always being there to help with anything and everything we need.
