## Director's Notes

- To our CVTheatre alumni – thank you for not just the hours you dedicate to this program, but for always being just a text or phone call away to help with anything I need despite all of your other obligations outside of this theatre. It's because of you we can continue to provide invaluable opportunities for students and quality productions for the community.
- Thank you to the entire cast & crew for all of your hard work and dedication to the process. It has been a lot to take on not just a fall musical, but also one that will travel across the state to perform at our State Thespian Conference. I hope you soak in every moment, both here and at conference. All the hard work *always* pays off in the end. Remember to live where your feet are - enjoy being up on the stage again and may you never take it for granted. Always remember to *Be Where You Are*.
- An enormous thank you to anyone in attendance tonight in support of the arts, CVTheatre, and our incredible students. We are eternally grateful for those making an effort to support and enjoy the arts.
- CV Thespian Boosters thank you for your continued support of our students all the way from front of house to backstage and everywhere in between, especially the board members for all of the time you put in to help organize all of the volunteers and run the group. I am eternally grateful for your dedication to our students and the program. As a parent I know time is precious and we are all juggling many things, so I truly thank you from the bottom of my heart for not just supporting the students and the program, but for helping make it possible for your children to participate.
- Chris Doherty Koury & Nancy Bosi – you ladies are amazing! I cannot express how much I appreciate all you do for us year after year and how hard you work. You ladies in the office are the backbone of all we do – we truly couldn't do it without you!
- Heather, Michelle, Amber, Ryan, and the entire facilities & custodial staff – thank you for your understanding of our long hours and always being there to help with anything and everything we need.
- John Shorter at Prop Rentals NY for providing some of the essential props for our show.

## *Congratulations, Seniors!*

Cherish this last year and all of the performances and memories. You had a rocky start to your Freshman year due to covid – so much so in fact, that only Lex was a part of the very 1<sup>st</sup> production of your Freshmen year, ‘Peter & the Starcatchers’.

Yet here we are now with 13 of you! Your friendships have brought you all together as an irreplaceable part of CVTheatre both onstage and backstage.

Your Senior year is far from over and you still have multiple productions ahead of you before you move onwards and upwards from CVTheatre and start the next chapter of your life.

So in the meantime, *Live Where Your Feet Are* and enjoy every moment of *Where You Are*.

Thank you for the memories!
